From the desk of the VP

Greetings fellow club members. Our first road ride which I'm calling The Lake Ouachita Road Ride, was a huge success. With 24 members and guests enjoying the lunch at Smokin In Style BBQ, of those 19 participated in the ride. From there we proceeded to Blakely Dam, then on to the Home Plate Restaurant. We then went up Hwy 7 to Hwy 298 to Story, AR. After a short break it was onto Mt. Ida and then back to Hot Springs. Special guests Mac and Jamie Payne from Hernando, Miss. If you didn't get to see Mac's custom built Indian, please check out the photos at www.arkansasbiker.info. An engineering feat in itself, it is a combination of Indian/Nissan/Moto Guzzi/ and Honda. His son Jamie brought his 1935 Indian Chief. Both bikes were crown pleasers. Also coming from Cape Girardeau, Missouri, Don Qualls rode a 1970 BMW 750. Scott Johnson from Mountain Home, AR. rode a 1977 BMW R75/, and from Mayflower, AR. Ron and Kris Herron on their 750 Triumph and Harley Davidson Sprint. Very good friends of mine Jeff and Christy Mayberry came along just for the ride.

Special thanks to Susie Parker, Linda Bright, and Kathrine McMahon for following in the chase vehicle, which did come in handy when Kris Herron's (bless her heart) Harley Davidson Sprint quit on her. Everybody has a great day, and a great time, and we had fun!!! Thanks to everyone. Photos from the Ride are available at www.arkansasbiker.info.
